

302 Express HARD-TOP

We built the 302 Express for the angler who's looking to pack a large cockpit with family & friends. With an sturdy hard-top enclosure and a roomy comfortable cabin, everyday is a good day for fishing no matter what the weather brings. The 302 Express is loaded with standard fishing features and has an extra large cockpit. Extremely well-built, it comes with a 10-Year Warranty* and is available with Outboards, Sterndrive or Inboard.
